

The Perfect Present

Imagine you have a fairy godmother, just like Cinderella. This godmother can grant you one perfect present. But, here is the catch. It cannot be a fancy gown, glass slippers, or a carriage. This gift must be intangible, or abstract. This means that you cannot perceive it with the five senses. For example, you might want patience self-confidence, intuition. Tell what the gift is, why it's the perfect gift, why you need it, and how it will affect your life.
